- Pet food donations welcome, food pantry open year-round

From bonfires to birthday celebrations, from 90-year-old magicians to our favorite smiling pups, from kids dancing to wonderful musicians to our magical volunteers, Common Good Soup Kitchen is full of life.

We thank our volunteers and community members for keeping this place warm and running. In particular, a heartfelt thank you to Stephen King and the King Foundation for their generous support of our new grocery delivery bags. People have even written us thank-you notes, and it has meant so much. What a winter it has been. And now, the sunshine is coming in.

Thanks to the generous support of Stephen and Tabitha King Foundation, we are now sending weekly grocery deliveries home in weather-safe, reusable bags. We are so proud to send home food that is kept safe and dry, no matter what Maine throws at us.
