DOG OF THE DAY

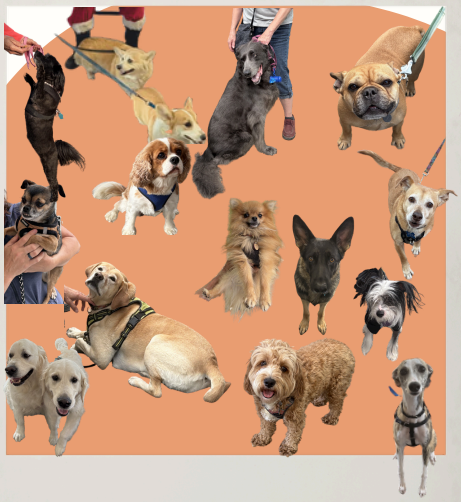

at Common Good Soup Kitchen

Thank you for your continued support and warmth! Dog of the Day was originally created by our wonderful friend Don, whose love for community continues to inspire this tradition. We're excited to share some tail-wagging news with you!

SPCA Fundraiser

The SPCA Fundraiser was a Paw-some Success! Thanks to your incredible generosity, we raised over $700 and collected a mountain of food, blankets, and toys for animals in need. A special shout-out to Craig, who adopted the featured dog! We are so happy for them!

Pet Food Drive

We are overjoyed to celebrate the first full year of our pet food drive. Your contributions have helped countless families keep their furry friends happy and nourished.
